Subject: New Red Hill Update for Review
Attachments: Red Hill DRAFT Update _31OCT2017.DOCX

Hi Steve and Roxanne, we have drafted another Red Hill newsletter update to share with the public. Please take a look at this draft and let us know if you have any comments or revisions.

Please let us know who the appropriate contact person should be on this update for DOH because Steve is retiring. Is it Roxanne or Lanae (sorry if I spelled that incorrectly)? Can I have her full name?

Let us know if you have any other revisions by COB Friday. We would like to have a version of this to at least hand out when the team is in Hawaii.

Thanks,

Omer Shalev
